organize

**1st International Symposium on Digital Technologies in Agriculture
ISDTA 2022
&
1st Satellite Workshop - Digital Agriculture in Rural Area
DIGITAGRA 2022**

FIRST ANNOUNCEMENT

Invitation

You are invited to participate in the 1st International Symposium on Digital Technologies in Agriculture (**ISDTA 2022**) & 1st Satellite Workshop - Digital Agriculture in Rural Area (**DIGITAGRA 2022**) with an oral communication, poster presentation, presentation of your institution/company or as a participant.

The 1st International Symposium on Digital Technologies in Agriculture will enhance the exchange and dissemination of knowledge, experience, ideas and results. The aim is to promote internationalization and friendships among researchers and professionals in all research fields associated with digital technologies in agriculture, with a focus on precision agriculture, agronomist education in digital agriculture, data collection and all the other aspects of digital technologies in agriculture.

ISDTA 2022 Symposium Topics

The key topic of the 1st International Symposium on Digital Technologies in Agriculture will be an interdisciplinary application of technologies toward sustainable digital agriculture.

The Symposium topics:

1. Data collection
2. Precision crop production
3. Decision support systems and models in digital agriculture
4. Digital technologies in agriculture
5. Digital agroeconomic and marketing
6. Agronomist education in digital agriculture

Papers not covered directly by the listed themes, and belonging to the field of Digital Technologies in Agriculture will be allotted to one of the listed sections. A new Symposium Topic may be proposed depending on the diversity of submitted papers.

DIGITAGRA 2022 Workshop Objectives

The main purposes of the 1st Satellite Workshop Digital Agriculture in Rural Area are to:

1. Disseminate the idea, goals and methods of digital agriculture in the rural area
2. Discuss the opportunities and challenges for small farmers in the transformation towards digital agriculture
3. Connect stakeholders in digitalization of agriculture at local and regional levels

Preliminary program

Symposium preliminary schedule is as follows:

Tuesday 6 December 2022	Registration // Welcome cocktail reception Opening ceremony Lectures
Wednesday 7 December 2022	Lectures // Poster Workshop – “Digital Agriculture in Rural Area” Gala dinner
Thursday 8 December 2022	Excursion and lunch for the participants of the symposium Departure

Official languages

The official language of the 1st International Symposium on Digital Technologies in Agriculture Symposium is English, while official languages of the 1st Satellite Workshop - Digital Agriculture in Rural Area are Croatian and English.

Important dates

ABSTRACT SUBMISSION	25 October 2022 20 November 2022
NOTIFICATION OF ACCEPTANCE	5 November 2022
FEE PAYMENT DEADLINE	10 November 2022

Deadlines are mandatory and they will not be prolonged.

Registration fees category

“Onsite” - participant	EUR 200.00
“Online” - participant	EUR 100.00
Student (bachelor, master, PhD student and postdoc)	EUR 70.00
Accompanying person	EUR 120.00

Instruction to authors

A one-page abstract in English should be written in Microsoft Word, font Times New Roman, size 12 points. Please, use the template that will be uploaded on the symposium website. Abstracts should contain the aim of the paper, methods, essential research results and a brief conclusion. Up to five keywords should be given, separated by commas. The title should be brief and precise, not more than 100 characters without spaces.

Abstracts may contain tables, graphs, drawings, etc. The document with abstract should be named after author’s surname, abstract title and related topic of the symposium (e.g. Surname_Title_1ISDTA). Submitted abstracts will be reviewed by the Scientific Program Committee. Abstracts will be published in the Book of Abstracts if at least one registration fee was paid per paper until 10th November 2022. Publication of abstracts in the Book of Abstracts enables subsequent publication of presented papers in a special issue of Poljoprivreda –Agriculture (<http://www.fazos.unios.hr/poljoprivreda>) or in other publications. When submitting abstracts, the authors should choose oral or poster presentation. Poster should be in English and in dimensions 70 × 100 cm (width × height). The poster presentation will include oral exposure for up to two minutes.

The Organizing Committee retains the right to select oral communications. Contributions should be sent electronically to the e-mail address: isdta22@fazos.hr by 25th October 2022 at the latest.

Accommodation and Payment method

The Symposium will be held at the University Campus, at the Faculty of Agrobiotechnical Sciences Osijek. Osijek is the largest city in the east of Croatia and is economic and cultural centre of Slavonia, a region of Eastern Croatia which is also called the bread basket of Croatia. Participants should make reservations for **accommodation and registration** exclusively through Dubrovnik Sun Agency. Accommodation is provided for participants as well as guests of the Symposium at the following prices:

Price per person/day, in EUR - Hotel Osijek 4*		
Type of room	1/2 (double room)	1/1 (single room)
CLASSIC	420,00 HRK (55.74 EUR)	715,00 HRK (94.90 EUR)
